

Train Mountain Triennial Campground Policy

1. **Campground hosts** will be assigned as required. Hosts are in charge of their respective areas and will have access to management to resolve disputes not able to be resolved by the hosts. Camping will be permitted only in the designated areas. Host sites will be marked with a sign indicating they are the host by name.
2. **Picnic Tables**, when available, have been placed in campground common areas, and shall **NOT** be removed from the common area except by Train Mountain Staff.
3. **Six Acre Campground** is a primitive camp for tents, tent trailers and small trailers or campers.
4. **South Meadow Campground** is a primitive campground used for overflow tent camping and for motorhomes, travel trailers, fifth wheels and full size campers. Only the Campground Host will have a water hookup. All others will draw water from the available spigots into portable containers.
5. **Blue Caboose Campground** is designated for use by Triennial Committee Chairpersons who have motorhomes, travel trailers, fifth wheels and campers that are equipped for power and water hookups. Tents and tent trailers which are not equipped for hookups will use the Six-Acre or South Meadow Campground. Tents are allowed in Blue Caboose for visiting family as long as they are in the confines of the family's space. Cars, pickups and towing vehicles shall be parked in an area designated for such vehicles.
6. **Reservations for the Blue Caboose Campground** will be taken only for Committee Chairpersons who intend to arrive no later than the first day of the workweek and intend to work on Train Mountain projects during the workweek. Reservation signs will have the Train Mountain ID and will be the only legitimate sign marking reserved spaces.
7. **Blue Caboose Campground priority** will be given to Committee Chairpersons who will be here for the summer to work on Train Mountain, or persons in positions requiring their presence on the property. Chairpersons arriving to work on subsequent days of the workweek will be accommodated on a first-come, first-served basis.
8. **Campsites must be occupied overnight**, with a maximum of 6 persons per campsite. Due to high demand for the campsites during Triennial event times, **you must be using your space or park your RV in another parking lot provided.**

9. **Water and electric service** are currently available at 15 sites in Blue Caboose. **There are eight sewer hookups available on a first come first served basis. There is no dumping of grey water or sewage on the ground** per Oregon State Law. If you require septic service or storage tanks, you may call Amber at Jefferson State Pumping, (541) 857-2923, and have your credit card ready as this will be a personal expense.
10. **The use of air conditioners is not permitted** since electric service is limited. During times of heavy occupancy, the use of electric items should be limited out of consideration to other campers.
11. **Do not drive or park on grass.** All cars or highway type transportation vehicles are to be parked in the parking lot designated on their parking pass. No mats larger than 2'x3' are allowed on the grass.
12. **Fires are not allowed.** BBQ grills and camping stoves are allowed in designated areas.
13. **Dispose of garbage and litter** in appropriate containers or take with you out of the campground. A tank is provided for kitchen wastewater in the camping areas as needed.
14. **Water faucets** are for drawing water only. No bathing, food washing, dish washing etc. at faucets.
15. **Nighttime quiet hours** are from 10 PM to 7 AM. This includes generators.
16. **During daylight hours** please be respectful of others and keep music and noise to a reasonable level.
17. **Do not** carve, cut, chop, nail to or otherwise damage living trees and vegetation.
18. **Well behaved Pets will be allowed** on Train Mountain property during the Triennial. **Pets must be on a leash at all times they are not inside your personal vehicle.** Pursuant to state and federal laws, only properly documented Service Dogs will be allowed inside buildings. **You MUST clean up after your pet.**

Please help us maintain the camping areas; your cooperation in obeying the few rules we have is what will make camping at Train Mountain a continued success.

NOTE: This Train Mountain Triennial Campground Policy shall only be in effect during a Triennial event. At all other times the regular Train Mountain Campground Policy shall be in effect.
